Tune: James M Black

**Ten/Bs/Alt** When the coal comes from the Rhondda,  
And the water's running fine,

I'll be there

And the water's running fine,  
With my little pick and shovel,  
I'll be there

I'll be there, I'll be there, I'll be there.

### Ten/Bs/Alt Chorus

I'll be there, I'll be there,

When the coal comes from the Rhondda,

I'll be there, I'll be there, I'll be there

I'll be there

## NOW, OH NOW I NEEDS MUST PART

Words and Music. John Dowland

Now, oh now I needs must part,  
Parting though I absent mourn.  
Absence can no joy impart;  
Joy once fled cannot return.

While I live I needs must love,  
Love lives not when hope is gone.  
Now a last despair doth prove,  
Love divided loveth none

Sad despair doth drive me hence **(me hence)**;  
This despair (despair) unkindness sends.  
If that parting be offence,  
It is she which then offends

(Repeat from 'Sad despair...)

Dear, if I do not return,  
Love and I shall die togeth'r  
For my absence never mourn  
Whom you might have joy-ed ev'r;

Part we must though now I die **(I die)**,  
(Die, I) Die I do to part with you.  
Him despair doth cuase to lie  
Who both liv'd and dieth true

Dear, when I from thee am gone,  
Gone are all my joys at once.  
I lov'd thee and thee alone,  
In whose love I joy-ed once.

And although your sight I leave **(I leave)**,  
Sight wherein (wherein) my joys do lie,  
Til that death doth sense bereave,  
Never shall affection die.

(Repeat from 'And although...)

(then repeat from 'Til that death)

## TOP OF THE WORLD

Words and Music John Bettis/Richard Carpenter

Arr: Sian Penlington

**Intro All** Do do do...

Verse 1

**Ten/Bass** Do do do...

**Sop/Alt** Such a feelin's comin' over me,  
There is wonder in most ev'ry thing I see.  
Not a cloud in the sky, got the sun in my eyes;  
and I won't be surprised if it's a dream.

**All** Ev'rything I want the world to be,  
Is now coming true especially for me;  
And the reason is clear, it's because you are here.  
You're the nearest thing to heaven that I've seen.

**Chorus** I'm on the top of the world  
lookin' down on creation;  
and the only explanation I can find  
is the love that I've found  
ever since you've been around.  
Your love's put me at the top of the world!

**All** Do do do...

Verse 2

**Ten** Do do do

**S/A/B** Something in the wind has learned my name;  
and it's tellin' me that things are not the same.  
In the leaves on the trees and the touch of the breeze,  
there's a pleasin' sense of happiness for me.

**All** There is only one thing on my mind:  
when this day is through I hope that I will find  
that tomorrow will be just the same for you and me.  
All I need will be mine if you are here

**Chorus**

**Repeat Chorus**

**Sop/Alt** I'm on the top of the world  
lookin' down on creation;  
and the only explanation I can find  
is the love that I've found  
ever since you've been around.  
Your love's put me at the top, put me at the top,  
put me at the top of the world!

**Ten/Bass** I'm on the top, lookin' down  
and the only explanation I can find  
is the love that I've found  
ever since you've been around.  
Your love's put me at the top, put me at the top,  
put me at the top of the world!
